Denial Reason [FICTIONAL / HYPOTHETICAL]

The Plan has denied the service above because **no prior authorization was found on file for outpatient advanced imaging**. [Fictional denial reason for software testing only.]

Policy Provisions Relied Upon (Fictional Policy A)

CL-A-7.1 Services Requiring Prior Authorization: "Prior authorization from the Plan is required before the following non-emergency services are received: (a) elective inpatient admissions; (b) elective surgery; (c) outpatient advanced imaging, including CT, MRI and PET scans; and (d) specialty prescription drugs."

CL-A-7.4 Failure to Obtain Prior Authorization: "If prior authorization is required under Clause CL-A-7.1 and was not obtained, the Plan may deny the claim for that service."

Explanation of the Decision

Our records show the CT scan was billed under CPT 74177. Our review found no prior authorization request or approval for this service before the date of service. Under the provisions cited above, the Plan may deny a claim for an advanced imaging service when required prior authorization was not obtained. This notice does not describe the clinical setting in which the scan was performed.

How to Appeal [FICTIONAL PROCEDURE AND DEADLINE]

Under fictional clause CL-A-10.1, you may appeal in writing within 60 calendar days of the date on this notice. **Fictional appeal deadline: June 19, 2026.** Send your appeal to the Appeals Department at the fictional address above and include the claim ID CLM-2026-000417.
